WARM NEUTRALS

Prepared from the live project visual identity

A sense of place, made personal

The identity pairs polished apartment living with the warmth of a thoughtful welcome.

THE IDEA

Refined comfort, rooted in hospitality.

Yahsab presents premium serviced stays in Makurdi and Abuja with a calm, residential feel: considered design, dependable comfort and a personal welcome.

BRAND PROMISE

A welcoming place to land, with the details taken care of.

THE FEELING

Quietly confident. Warm, never formal. Elevated, never distant.

PERSONALITY

REFINED	Elegant details; uncluttered presentation.
WELCOMING	Human language; genuine local warmth.
DEPENDABLE	Make practical comforts easy to find.
ROOTED	Let Makurdi and Abuja feel part of the story.

VOICE

Say *"Settle in. We have taken care of the details."*

Avoid Overblown promises, jargon and impersonal hotel-speak.

Keep it clear, gracious and specific. Lead with the guest benefit.

The mark and the palette

Keep the wordmark clean and the color system restrained, with terracotta as a considered accent.

WORDMARK

Y

Yahsab

LUXURY APARTMENTS

The website pairs a serif Y monogram with a name and a small uppercase descriptor.

Use generous clear space. Keep the mark legible; do not stretch, outline or add effects.

COLOR BALANCE

Let ivory and sand make the space feel open.

Use forest to anchor the experience; reserve terracotta for small moments.

03 / EXPRESSION

Type, layout and use

A simple system helps every page feel calm, premium and unmistakably Yahsab.

DISPLAY / PLAYFAIR DISPLAY

A softer kind of *arrival.*

Use for key headlines, short statements and editorial moments.

INTERFACE / PLUS JAKARTA SANS

Comfort is in the details.

Use for navigation, body copy, labels and buttons. Favor short, readable sentences and generous line spacing.

IN PRACTICE

Find your place in Abuja

Thoughtful stays, with room to settle in.

BOOK YOUR STAY

DO

Use warm photography, clear hierarchy and breathing room.
Keep buttons direct; let the guest know what happens next.

DON'T

Crowd layouts, overuse accent colors or mix decorative typefaces.
